

The Mount Clemens Downtown Development Authority is proud to announce our annual Made in Michigan Show on May 11 - 12, 2024 in beautiful Downtown Mount Clemens.

Due to the overwhelming requests from the vendors at the 2023 show we have changed the event days to Saturday and Sunday for the vendors convenience.

A tremendous number of products are grown, manufactured, or distributed by Michigan-based businesses, and we hope to include as many as possible at this family friendly event. Our goal is to inform, educate and encourage Michiganders, organizations and consumers alike, to support our local economy by purchasing products made in Michigan and from Michigan-based companies and vendors. Together we will revitalize the economy, one product, one purchase, one person at a time.

We invite you to come and showcase your Made in Michigan product at our event!

The Mount Clemens Downtown Development Authority, as the producer of the Downtown Mount Clemens Made in Michigan Show, promises to continue to maintain a high level of integrity with local small businesses and our vendors. We require all applicants to follow these strictly enforced guidelines:

- All items sold at the Downtown Mount Clemens Made in Michigan Show must be made, grown, assembled, or manufactured in Michigan.
- No items that could be construed as offensive or discriminatory are allowed.
- Food and beverage vendors are responsible for all permits, health department rules, regulations, etc.
- Items to be displayed and/or sold must be completely disclosed on registration forms.

Early registration is highly recommended, as applications will be processed on a first come, first served basis. We are looking to build and grow this event with the inclusion of other Michigan made products and organizations. Please help us spread the word about this show to fellow businesses that you think may be interested in participating. Thank you for your support and we look forward to seeing you this year!

For your convenience I have attached the 2024 event and registration information below. If you have any questions or need additional information, please contact Michelle Weiss at: 586 431-6788, or email: weissii@msn.com.

Thank you,
